**SELLING POINTS**

- Debut album by new spiritual jazz ensemble from L.A., led by Dwight Trible
- Incredible Sun Ra-esque spiritual jazz for the 21st century
- Extraordinary genre-defying sounds by this 6-strong ensemble committed to the creative exploration of improvised music.
- Phenomenal performance by Dwight Trible as you've never heard before!
- Masterful group of musicians w/ divine vocals, spiritual jazz sounds w/ world influences and indigenous instruments.
- Original artwork by Nep Sidhu (Erykah Badu / Kahil El'Zabar / Shabazz Palaces)
- Strong PR media & radio campaign in US, Europe
- On the trend with the current emerging spiritual jazz scene in the States / worldwide
- Dynamic deep jazz tracks & spiritual ballads that hit the mark with 'new jazz' young crowds and 'classic jazz' audiences

**PRODUCT BLURB**

New, extraordinary music by Cosmic Vibrations ft Dwight Trible. An interplanetary journey from this new, LA based 6-strong ensemble of experienced musicians that define spiritual jazz in the 21st century. This is a genre-defying amalgam of divine vocals by Dwight Trible, Sun Ra-esque jazz with world influences and indigenous instruments, taking you into a cosmic journey of spiritual improvisation and beyond. 'Pathways & Passages' is an awakening, an opportunity to soar deeper into an altered awareness of the Cosmos.
